

## ANNUAL CONFERENCE

Gathering of the Potomac Organization at the A. M. E. Church.

## PROCEEDINGS HELD THIS MORNING

Addresses at the Sessions Yesterday and Today.

## THOSE ON PROGRAM

The District conference and Sunday school convention of the Potomac district of the Baltimore annual conference of the A. M. E. Church met at 9 o'clock this morning at the A. M. E. Church, corner of 14th and B streets, northeast. Rev. Dr. Wm. H. Hunter, the presiding elder, was in the chair. Devotional exercises were conducted by Revs. W. T. H. Addison and J. H. Barnes, after which the reading of reports by committees, begun yesterday, was continued.

In reporting upon the financial ability of the people throughout the Potomac district, which includes Maryland and the District of Columbia, Rev. Dr. Wm. H. Hunter, the presiding elder, said the colored people in this section belonging to the A. M. E. Church own about 1,500 acres of farm land, valued at about \$70,000; 350 houses and lots in cities, towns and villages, valued at \$412,700, and have bank accounts amounting to \$40,000. The membership of the church was 2,137, so that these people have property equal to about \$200 per capita, which indicated that they were able to support a school. Rev. Dr. Wm. H. Hunter, the presiding elder, said the schools of the District of Columbia were in excellent condition, and that as a rule those of Maryland are efficient. New schools are being built, but in Maryland the school furniture is not what it should be. There was also a disposition on the part of colored people to keep their children from attending the schools, which, he thought, should be overcome as education was the great need of the race.

Other papers to be read were "The Spiritual Condition of the Church," by Rev. L. S. Flagg, and "The Requirement of Sabbath Schools," by Rev. L. S. Flagg, and "The Means Necessary to Make the Churches Financially More Prosperous," by Rev. J. A. Johnson. Devotional exercises were conducted at 3 o'clock by Revs. J. O. Curtis and L. H. Stephens, and a similar exercise will be held at 8 o'clock tomorrow.

Tomorrow the Sunday school convention of the Potomac district will be begun and will be held in the morning, afternoon and evening.

## Making a mighty effort to clear the counters!

Tomorrow night we begin the task of "taking stock." Between then and now comes a period of sacrificing entirely without parallel. In one short day's selling we are determined to close out every odd lot—remnant—and broken line. To accomplish it we've cut prices without regard for cost—sacrificing right and left. It will be a startling climax to a week of remarkable selling. Every item tells its own story of cost leveling—eloquently so. Every value-offering demands your presence. First-comers will get the choicest "plums."
